

Junior Test Automation Engineer

Warsaw, Poland | Full-time

About Sixsentix:

Everyone says it, we live it: we are agile!

Can you envision your career at a place where what you do is acknowledged and regarded as important?

Yes? Then keep on reading.

Our aim is to be a fully agile organization and through our methodology we ensure the best test automation services to our clients. Are you up for the challenge?

Yes? Then keep on reading.

Thanks to our flat hierarchy and the short decision paths, we offer our employees a working place where they can have an impact. Due to our agile mindset we are continuously pushing our organization forward by being open minded and by welcoming new ideas and improvements. We are looking for people who love to go the extra mile and will help us achieving our growth plan.

Sixsentix Poland is a new subsidiary established on a Polish market in 2019. We're looking forward to build our expanding Polish team together.

Send us your application if the following job content suits your interests and skill set:

- Delivering client oriented and quality ensured solutions in an agile environment
- Hands-on test consulting and test automation for our clients in finance, insurance, telco and other industries
- Be a significant part of our Sixsentix - SWAT Teams, ensure meaningful improvements in Quality and optimize Test Coverage
- Collaborate closely with our Teams located in different countries

And if you have gained on the job experience in the following areas:

- Test automation experience with Selenium or any other open-source tools is an advantage
- .Net projects experience would be a plus
- >1/2y experience in testing as Test Engineer, Test Analyst or Test Automation Engineer equivalent
- Proactiveness and willingness to learn
- Technical IT knowledge would be an advantage (programming, DB, etc.)

What we Offer:

- Challenging professional opportunities in a fast growing, highly successful company
- Comprehensive training and certifications, knowledge sharing
- Personal & professional development
- Competitive salary and benefits package

We look forward to receiving your electronic application (CV, reference letters, etc.) by email to careers.pl@sixsentix.com. Find more information about Sixsentix on www.sixsentix.com
