Job Description

As a Test Automation Specialist your main task is the creation of a Test Case portfolio according to the needs of our clients. You are responsible for the Test Automation process and support from a Non-GUI technical perspective. You will manage daily testing operations and ensure that all quality issues are thoroughly resolved. Your responsibility is to coordinate all the techniques and practices with the test team, to raise and remove business-related or technical obstacles, risks and issues at the earliest stage.

- Automate Test Cases by using mostly TOSCA TestSuite
- Design methodological test data
- Develop and maintain large automation frameworks
- Collaborate with teams in Austria, Switzerland, Serbia, and Germany
- Coach clients as a trusted QA Advisor
- Optionally program Tool-plugins and adaptors
- Represent the company and our solutions with passion and enthusiasm

Qualifications

- 4-6 year of previous experience
- Academic degree in Information Science, Computer Science or comparable career experience
- Broad technical IT knowledge and ability to abstract complex situation
- Strong written and verbal communication skills in English and German
- Willing to work in an agile environment (Scrum) and having an agile engineering mindset
- You thrive in a challenging environment and stay calm under pressure
- Reliability and strong quality awareness
- Customer and project accountability and presentation skills
- Team player motivated by achieving innovative results and a high solution orientation
- You have strong analytical skills and a pronounced ability to think in abstract terms
- Willing to provide a valuable contribution in a high performing organization
- Travel availability

What we Offer

- Competitive salary
- Long term service bonus
- Annual Pass for public transport
- Health Club incentive
- Travel insurance
- Vacation plus Christmas company days
- Recognition and opportunity for advancement
- A flexible and open working atmosphere
- Innovative Agile Engineering culture
- Work with the latest tools and technology
- Opportunity to work on challenging projects for leading enterprises
- Modern Office by U1 subway
- Employee/ networking events

*Valid Work Permit / Work Permit Eligible

The salary payment for a full-time equivalent amount to the minimum basic salary of at least EUR 3.392 gross, according to the Collective Bargaining Agreement - "Kollektivvertrag". (Overpayment is possible with the right qualifications.) The position is full time and anticipated to be 38,5 hours per week.

We look forward to receiving your electronic application (CV, reference letters, etc.) by email to careers.at@sixsentix.com. Find more information about Sixsentix on www.sixsentix.com
