- Minimum 2 years of experience as a Test Consultant
- Academic degree (BSc/MSc in Mathematics or Information Technologies)
- Experience in Agile Methodologies
- Able to travel for international projects, if needed
- Fluent in English is a must (speaking and writing skills), German is a plus
- Good presentation skills are considered as a plus
- Strong analytical skills and a pronounced ability to abstract thinking

If you gained on the job experience in the following areas or you are ambitious to gain:

- Creating requirement structures and risk weighting with Business representatives on client side
- Creating Test Case Design; Designing of Methodological Test Data; Programming of Tool-plugins and adaptors (optional)
- Supporting our clients and prospects with expertise about different technical-related questions
- Collaborating with teams in Switzerland, Serbia, Austria, Poland, Germany and Abu Dhabi
- Consulting for Swiss and International Clients in Banking and/or Insurance Industry
- Used to client-facing work and consulting
- Ability to work on multiple projects in parallel, if needed
- Automating Test Cases in TOSCA Test suite

What we Offer

- Outstanding working environment, flexible and open working atmosphere
- Challenging professional opportunities in a fast growing, highly successful company
- Comprehensive training and certifications
- Personal & professional development
- Challenging projects
- Innovative culture
- Competitive salary
- Excellent benefits: e.g. private health insurance with 1 year of service, accident insurance 24/7, etc.
- Extra vacation days plus company days between New Year and Christmas
- Recognition, opportunity for advancement and long-term service award

We look forward to receiving your electronic application (CV, reference letters, etc.) by email to careers.rs@sixsentix.com. Find more information about Sixsentix on www.sixsentix.com
