

# Test Automation Expert

Abu Dhabi, United Arab Emirates | Full-time

Everyone says it, we live it: we are agile!

Can you envision your career at a place where what you do is acknowledged and regarded as important?

Yes? Then keep on reading.

Our aim is to be an agile organization and through our methodology we ensure the best test automation services to our clients. Are you up for the challenge?

Yes? Then keep on reading.

Given our flat hierarchy and short decision paths, we offer our employees a workplace where they can have an impact. With an agile mindset we are continuously pushing our organization forward, by being open minded and constantly checking new ideas and improvements. We are looking for people who love to go that extra mile and will help us in achieving our growth plans.

Please send us your application if the following job content is of interest and matches your skill set:

- Automate Test Cases, primarily using the Tosca TestSuite
- Design operational test data
- Develop and maintain large automation frameworks
- Collaborate with teams in Austria, Switzerland, Serbia, and Germany
- Coach our clients as a trusted QA Advisor
- Optionally program Tool-plugins and adaptors
- Represent our Company and our Solutions with passion and enthusiasm

If you have gained on the job experience in the following areas:

- Test automation, particularly with Tosca and/or Selenium (any other tools are an advantage)
- Technical IT knowledge (programming, DB, etc.) with 2 - 3 years experience
- Academic degree in Information Technology, Computer Science or comparable career experience
- Broad technical IT knowledge and an ability to understand complex situations
- Strong English language written and verbal communication skills
- Willing to work in an agile environment (Scrum) and having an agile engineering-oriented mindset
- You thrive in a challenging environment and stay calm under pressure
- A team player, motivated by achieving innovative results with a results orientation
- You have strong analytical skills and a pronounced ability to think in abstract terms
- Seeking to provide a valuable contribution in a high performing organization

We look forward to receiving your application (CV, reference letters, etc.) by email to [careers.uae@sixsentix.com](mailto:careers.uae@sixsentix.com).
