

Test Consultant

Abu Dhabi, United Arab Emirates | Full-time

Everyone says it, we live it: we are agile!

Can you envision your career at a place where what you do is acknowledged and regarded as important?

Yes? Then keep on reading.

Our aim is to be an agile organization and through our methodology, we ensure the best test automation services to our clients. Are you up for the challenge?

Yes? Then keep on reading.

Given our flat hierarchy and short decision paths, we offer our employees a workplace where they can have an impact. With an agile mindset we are continuously pushing our organization forward, by being open minded and constantly checking new ideas and improvements. We are looking for people who love to go that extra mile and will help us in achieving our growth plans.

Please send us your application if the following job content is of interest and matches your skill set:

- Minimum three years of experience as a Test Consultant
- Delivering client oriented and quality solutions in an agile environment
- Conceptual and strategic planning and management of the entire testing process
- Hands-on test consulting and test automation for our clients in the financial sector
- Be a significant part of our Sixsentix - SWAT Teams, ensure meaningful improvements in quality and optimize performance in test coverage
- Represent our Company and our Solutions with passion and enthusiasm

If you have gained on the job experience in the following areas:

- Testing as Test Manager, Test Engineer, Test Analyst or equivalent
- Test automation, particularly with Tosca and/or Selenium (any other tools are an advantage)
- Consulting in the Finance Sector as a QA
- Agility in your approach and methodologies
- Technical IT knowledge (programming, DB, etc.)

We look forward to receiving your application (CV, reference letters, etc.) by email to careers.uae@sixsentix.com.
